The Board of Trustees has a three part mission of:

1. Consultancy: To counsel and advise the Chancellor on means to enhance the stature of the University.

2. Ambassadorship: To interpret the University's goals and programs to its various constituents. To promote the participation of Alumni and Friends in building and advancing the public image of UMR.

3. Sponsorship: To advance the objectives of the development program by identifying and securing financial support for the University.
