STRATEGIC PLAN

Mission
Missouri University of Science and Technology integrates education and research to create and convey knowledge to solve problems for our State and the technological world.

Vision
Missouri University of Science and Technology will be recognized as one of the top five technological research universities in the nation.

Values
Tradition: We are a diverse scholarly community of hard-working problem-solvers who draw inspiration, strength, and pride from our history, our students’ success, and our entrepreneurial spirit.

Interdisciplinary Collaboration: We value the entire realm of human knowledge and seek to transcend conventional boundaries in the pursuit of our goals.

Inclusiveness: We encourage and depend upon mutual recognition and respect and the voluntary cooperative efforts of our diverse constituents to sustain a strong and cohesive scholarly community.

Excellence: We embrace academic integrity, exceptional results, and constant improvement in teaching, research, service, and economic development activities.

Strategic Objectives
1. Enrich the Student Experience
2. Manage Enrollment and the Academic Portfolio
3. Expand and Elevate Research Performance and Reputation
4. Develop Resources and Improve Organizational Performance
